

9.0 LIST OF PREPARERS

DMJM Harris, Inc.

DMJM Harris was responsible for preparation of this FEIS, public involvement, document quality control, and the line and grade engineering.

Bijan Pashanamaei, P.E.	Officer in Charge - B.S. in Civil Engineering
Louis Costa	Project Manager – Master of City Planning and Urban Design
Leslie Roche, AICP	Principal Planner – BA Anthropology/Archaeology
Ronald Schumann, P.E.	Engineer - B.S. in Civil Engineering
Newell Schindler, P.E.	Engineer - B.S. in Civil Engineering
Troy Jeanfreau, P.E.	Engineer - B.S. in Civil Engineering
Oscar Avila	CADD Manager - Associate Degree in Architectural Design & Engineering Graphics
Gino DiGiovanni	GIS Technician – Associate Degree in Applied Science
Gene Gillen, P.E.	Project Engineer (2003-2004) – B.S. in Civil Engineering
James Joffrion, P.E.	Project Engineer (2004-2005) – B.S. in Civil Engineering
Barry Brupbacher	Principal Planner – M.S. in Urban Studies
Caroline Lanford	Planner – B.A. in English and Classical Studies

Providence Engineering and Environmental Group LLC

Providence Engineering was responsible for preparation of the SIU 1 DEIS and of supplemental documents for Links 1 through 4.

Karen Holden, P.E.	Project Manager – B.S. degree in Civil Engineering
Kerry Higgins	Environmental Manager – B.S. degree in Fish and Wildlife Biology
Phillip Parker, P.E.	Engineer – B.S. degree in Civil Engineering
Travis Faul	Wetlands and Environmental Liability – B.S. degree in Environmental Management Systems
Patrick Guelfo	Permits – B.S. degree in Environmental Management Systems
R.G. Paul Clifton	Mitigation – M.S. degree in Forestry
Lowell Hebert	GIS Analyst – Louisiana Technical College
Lori McGuire	GIS Technician – ITI Technical Institute
Denise Prendergast	Quality Control – B.S. in Geology/Text Book Editor

ARCADIS G & M, INC.

ARCADIS was responsible for preparation of the air quality and noise analyses of the supplemental documents for Links 5 and 6.

David Escude, P.E.	Project Manager
Kevin R. Scott, P.E.	Project Engineer – B.S. degree in Civil Engineering
Justin Beard, P.E.	Transportation Project Manager – B.S. in Civil Engineering and Environmental Studies
Ryan Gerber, E.I.T.	Staff Engineer – M.S. degree in Environmental Engineering
Madeline Rogers	Project Scientist – B.S. degree in Geography
Lynn Maloney-Mújica	Planner - B.A. degree in Liberal Arts
Berva Noone	Project Assistant – B.S. degree

Neel-Schaffer, Inc.

Neel-Schaffer was responsible for traffic analyses and provision of traffic information for the preparation of noise and air analyses.

Jerry Trumps	Principle in Charge – B.S. in Business Administration
Nick Ferlito, P.E.	Project Manager – M.S. in Civil Engineering
Brin Ferlito, P.E.	Project Engineer – B.S. in Civil Engineering
L.P. Ledet	Transportation Planner – M.S. in Geography
Shelby Coke, P.E.	Engineer – B.S. in Civil Engineering
Bert Moore, P.E.	Engineer – B.S. in Civil Engineering
Karen Gautreaux	Technician (CADD)

Earth Search, Inc.

Earth Search was responsible for conducting the appropriate cultural resources surveys.

Jill-Karen Yakubik, Ph.D.	President and Principle Investigator for Cultural Resources– Ph.D in Anthropology
Rhonda Smith	Project Manager - M.A. degree in Anthropology
Heather Apollonio	Project Manager - M.A. degree in Anthropology
Benjamin D. Maygarden	Historian - M.A. degree in Political Science
Sara S. Orton	Architectural Historian – Master of Preservation Studies

Federal Highway Administration (FHWA)

William C. Farr	Program Operations Manager, B.S. in Civil Engineering
Robert Mahoney	Environmental Specialist, M.S. in Civil Engineering
Mark Stinson, P.E.	Area Engineer, B.S. in Civil Engineering

Louisiana Department Of Transportation and Development (DOTD)

Mike Aghayan, P.E.	Project Manager – B.S. degree in Civil Engineering
Nicholas Kalivoda III, P.E.	Traffic Engineering Division Administrator – Geometrics – B.S. degree in Civil Engineering
Vincent Russo, Jr., P.E.	Environmental Administrator - B.S. degree in Civil Engineering
Wayne Nguyen, P.E.	Engineer 4 – Environmental Coordinator – B.S. degree in Chemical Engineering, Master of Business Administration

Cooperating and Participating Agency Personnel

U. S. Army Corps of Engineers

Dr. James Barlow, Gib Owen
Frank Duarte, P.E.

U. S. Fish & Wildlife Service

Patti Holland, Derek Hamilton,
Brigitte Firmin, Seth Bordelon

U. S. Environmental Protection Agency

John Ettinger

U. S. Coast Guard/Homeland Security

Marcus Redford, Bart Marcules

State Historic Preservation Office

Rachel Watson

NOAA Fisheries

Kelly Shotts, Bren Haase, Richard Hartman

Louisiana Department of Wildlife & Fisheries

Fred Dunham, Ines Maxit, Keith Cascio,
Kyle Balkum

Louisiana Department of Natural Resources

Tim Robertson, Kim Arcement,
Ontario James

Louisiana Department of Environmental Quality

Karen Antie, Al Hindrichs
